# GEORGIA INDUSTRY SHORT OF MAY PLAN

The Statistics Administration of the Georgian SSR has announced the results of the fulfillment of the May 1949 Georgian State plan. Georgia industry completed 95 percent of the gross-production plan, including: republic enterprises 94 percent, and union enterprises 108 percent.

The output of all Georgian industry in May 1949 was 16 percent greater than in May 1948.

The Ministry of Timber and Paper Industry completed only 61 percent and the Ministry of Food Industry only 88 percent of the gross-production plan. The following ministries and cooperatives, completing the May gross-production plan, did not complete the quantity-of-production plan for some important products: Ministry of Construction Materials Industry -- tile, pozzuolanic cement, gypsum; Ministry of Light Industry -- raw silk, synthetic silk fabric, spun silk, raw cotton, sewn articles; Ministry of Meat and Dairy Industry -- butter, cheese, ice cream, ice; Ministry of Local Industry -- plows, beds, scales, nails, aluminum dishware; Administration of Industrial Cooperatives -- brick, tile, lumber, nails, leather, shoes, wool fabric, knitted outer garments, confectionery, soap; All-Georgian Union of Invalids' Cooperatives -- lime, lumber, household dishware, leather, cotton and silk fabric, knitted outer garments, hosiery, soap.

The May quantity-of-production plan for the most important industrial products was fulfilled as follows:
